

Mackenzie TFSA High Interest Cash Builder will be closed to new investments

As part of our ongoing efforts to scale our product offering for investors and advisors, Mackenzie will be hard capping the [Mackenzie TFSA High Interest Cash Builder](#), a deposit product offered by B2B Bank® exclusively for Tax Free Savings Accounts.

We'll be closing this product to new investments, including systematic purchase plans, on **September 9, 2022**. This timeline will minimize the impact to investors and give advisors ample time to provide alternative investment instructions if needed.

- Series A (MFC 2922)
- Series F (MFC 2923)

In the coming weeks, we'll be reaching out to advisors who have clients with Mackenzie-administered systematic plans or standing instructions, to advise them of the hard capping and obtain new instructions. We also recommend that advisors review their clients' accounts for any dealer-administered systematic plans and update them accordingly.

Additional information can be obtained from the FD file, available on September 7 with an effective date of September 9.

For further information please contact your Dealer Relations Account Manager directly. You can also send an email to drelations@mackenzieinvestments.com.

Thank you for your continued support of Mackenzie Investments.
